Dear Julian,

On behalf of Chief William Blair, The Chief's Gala Planning Committee and Victim Services Toronto, please accept our sincere appreciation for your generous assistance providing the a/v and lighting for the Gala. Your generosity of heart, and gift of time and talent is sincerely appreciated.

The evening, a tremendous success on every level, raised \$82,789 in support of Victim Services Toronto. These funds will be far reaching, and have a huge impact on our ability to provide immediate on-site crisis, trauma, safety and support services, and to help restore, rebuild and enhance the quality of life of those touched by crime and tragedy.

As promised, I am happy to enclose the photograph of you with Chief Blair taken at the VIP Reception. I do hope you enjoy it! A reminder to please forward me your revised invoice per our previous discussion. As today is my last day in the office until January 4th, I'd like to be able to process your invoice ASAP. Have a wonderful holiday Julian.

With heartfelt thanks,

Sherry Clodman, CFRE
Director of Development
